Within each section, operators are listed in alphabetic order. For each operator, the following information is given:

<u>Title</u> - This is the name by which the firm is usually identified and is not necessarily the full legal name or the registered owner of a vessel.

Name of vessel - If the vessel's name has changed since the 2016 'Trip Out' guides, the previous name is given; other former names are not listed.

Nationality of vessel - All vessels listed are of British
registry unless stated otherwise. The following codes are used:
IE - Ireland.
No nationality is given for vessels not yet named.

Particulars of vessel - Year of completion, "gt" or gross tonnage, overall length in metres, and maximum passenger capacity.

Type of vessel - the following codes are used:

- C car ferry,
- m catamaran or trimaran,
- > high speed craft,
- - steam-engined,
- ▲ auxiliary sailing vessel.

<u>Services</u>- Dates are inclusive: thus, "May - Aug" means from the beginning of May to the end of August. Unless stated otherwise, cruises and excursions run in summer only, but charter trips are available all year.
