Operators are listed in alphabetic order. For each operator, the following information is given:

Title - This is the name by which the firm is usually identified and is not necessarily the full legal name or the registered owner of a vessel.

Name of vessel - If the vessel's name has changed since the 2022 'Trip Out' guide, the previous name is given; other former names are not listed.

Nationality of vessel - All vessels listed are of British registry.

Particulars of vessel - Year of completion, "gt" or gross tonnage, overall length in metres, and maximum passenger capacity.

Type of vessel - the following codes are used:
m - catamaran or trimaran.

Catering - Facilities are indicated by symbols:

- Tea, coffee, soft drinks, biscuits, etc.
- Licensed bar serving beer, spirits, etc; tea, coffee and light snacks are usually available as well.
- Full meals; a bar is always available as well.

The facility indicated may not be available on all of an operator's vessels at all times. The appearance of a symbol does not imply any recommendation of quality.

Services- Dates are inclusive: thus, "May - Aug" means from the beginning of May to the end of August.
Unless stated otherwise, cruises and excursions run in summer only, but charter trips are available all year.
