Operators are listed in alphabetic order. For each operator, the following information is given:

**Title** - This is the name by which the firm is usually identified and is not necessarily the full legal name or the registered owner of a vessel.

**Name of vessel** - If the vessel's name has changed since the 2022 'Trip Out' guide, the previous name is given; other former names are not listed.

**Nationality of vessel** - All vessels listed are of British registry.

**Particulars of vessel** - Year of completion, "gt" or gross tonnage, overall length in metres, and maximum passenger capacity.

**Type of vessel** - the following codes are used:  
m - catamaran or trimaran.

**Catering** - Facilities are indicated by symbols:

- ☕ Tea, coffee, soft drinks, biscuits, etc.
- 🍷 Licensed bar serving beer, spirits, etc; tea, coffee and light snacks are usually available as well.
- ✂ Full meals; a bar is always available as well.

The facility indicated may not be available on all of an operator's vessels at all times. The appearance of a symbol does not imply any recommendation of quality.

**Services**- Dates are inclusive: thus, "May - Aug" means from the beginning of May to the end of August. Unless stated otherwise, cruises and excursions run in summer only, but charter trips are available all year.
