

This list is divided into four parts: Dublin and South East (this page), South West (page 3), West Coast, Shannon and Lough Erne (page 6), and North East (page 11).

Telephone numbers in the Republic are marked with a # to distinguish them from British numbers. To call one of these numbers from the United Kingdom, the initial "0" should be replaced by "00353"; for example, to call Dublin Bay Cruises, dial 00353 1 901 1757.

Within each section, operators are listed in alphabetic order. For each operator, the following information is given:

Title - This is the name by which the firm is usually identified and is not necessarily the full legal name or the registered owner of a vessel.

Name of vessel - If the vessel's name has changed since the 2019 'Trip Out' guide, the previous name is given; other former names are not listed.

Nationality of vessel - All vessels listed are of British or Irish registry.

Particulars of vessel - Year of completion, "gt" or gross tonnage, overall length in metres, and maximum passenger capacity.

Type of vessel - the following codes are used:

C - car ferry,
m - catamaran or trimaran,
> - high speed craft,
e - electrically powered
(all other vessels have diesel engines).

Catering - Facilities are indicated by symbols:

- ☕ Tea, coffee, soft drinks, biscuits, etc.
- 🍷 Licensed bar serving beer, spirits, etc; tea, coffee and light snacks are usually available as well.
- 🍴 Full meals; a bar is always available as well.

The facility indicated may not be available on all of an operator's vessels at all times. The appearance of a symbol does not imply any recommendation of quality.

Services- Dates are inclusive: thus, "May - Aug" means from the beginning of May to the end of August. Unless stated otherwise, cruises and excursions run in summer only, but charter trips are available all year.
