Operators are listed in alphabetic order. For each operator, the following information is given:

**Title** - This is the name by which the firm is usually identified and is not necessarily the full legal name or the registered owner of a vessel.

**Name of vessel** - If the vessel's name has changed since the 2016 'Trip Out' guides, the previous name is given; other former names are not listed.

**Nationality of vessel** - The following codes are used:

**CY** - Cyprus,

**FR** - France,

**GB** - United Kingdom

No nationality is given for vessels not yet named.

**Particulars of vessel** - Year of completion, "gt" or gross tonnage, overall length in metres, and maximum passenger capacity.

**Type of vessel** - the following codes are used:

C - car ferry.

**Services** - Dates are inclusive: thus, "May - Aug" means from the beginning of May to the end of August.
