DENMARK

These lists include services within Denmark, except for vessels on the Øresund, which are listed under 'Øresund'. The many islands composing Denmark's pleasant landscape are linked by numerous ferry services, only some of which qualify for inclusion in this guide. There are few purely excursion services, though two small vessels worthy of note are the ps HJEJLEN (built in 1861) at Silkeborg and the ss SKJELSKØR (1915) at Fredrikssund. In the Danish alphabet, the letters "Æ", "Ø" and "Å" (or "AA") come after "Z", and this arrangement is used in this list.

Within each section, operators are listed in alphabetic order. For each operator, the following information is given:

Title - This is the name by which the firm is usually identified and is not necessarily the full legal name or the registered owner of a vessel. A glossary of Danish words used in company names is below.

Name of vessel - If the vessel's name has changed since the 2016 'Trip Out' guides, the previous name is given; other former names are not listed.

Nationality of vessel - All vcessels listed are of Danish registry.

Particulars of vessel - Year of completion, "gt" or gross tonnage, overall length in metres, and maximum passenger capacity.

Type of vessel - the following codes are used:
C - car ferry,
m - catamaran or trimaran,
> - high speed craft,
▲ - auxiliary sailing vessel,
e - electric.
(All other vessels have diesel engines).

Services- Dates are inclusive: thus, "May - Aug" means from the beginning of May to the end of August.
Unless stated otherwise, cruises and excursions run in summer only, but charter trips are available all year.
