

**FINLAND**

This list includes services within Finland. In addition to an irregular coastline, Finland has chains of lakes which have shipping services during the short warm summer; the waters are ice-bound for much of the year. As in Sweden, several services are maintained by veteran steamships. In the Finnish and Swedish alphabets, the letters "Å", "Ä" and "Ö" come after "Z", and this arrangement is used in this list.

Within each section, operators are listed in alphabetic order. For each operator, the following information is given:

**Title** - This is the name by which the firm is usually identified and is not necessarily the full legal name or the registered owner of a vessel. A glossary of Finnish words used in company names is below.

**Name of vessel** - If the vessel's name has changed since the 2016 'Trip Out' guides, the previous name is given; other former names are not listed.

**Nationality of vessel** - All vessels listed are of Finnish registry unless stated otherwise. The following code is used:  
**NO** - Norway.

**Particulars of vessel** - Year of completion, "gt" or gross tonnage, overall length in metres, and maximum passenger capacity.

**Type of vessel** - the following codes are used:

C - car ferry,

m - catamaran or trimaran.

• - steam-engined,

(All other vessels have diesel engines).

**Services**- Dates are inclusive: thus, "May - Aug" means from the beginning of May to the end of August. Unless stated otherwise, cruises and excursions run in summer only, but charter trips are available all year.
