Within each section, operators are listed in alphabetic order. For each operator, the following information is given:

**Title** - This is the name by which the firm is usually identified and is not necessarily the full legal name or the registered owner of a vessel. A glossary of Norwegian words used in company names is below.

**Name of vessel** - If the vessel's name has changed since the 2016 'Trip Out' guides, the previous name is given; other former names are not listed.

**Nationality of vessel** - All vessels listed are of Norwegian registry unless stated otherwise. The following code is used:  
**FO** - Faroe Islands.

**Particulars of vessel** - Year of completion, "gt" or gross tonnage, overall length in metres, and maximum passenger capacity.

**Type of vessel** - the following codes are used:

C - car ferry,  
 m - catamaran or trimaran,  
 > - high speed craft,  
 ● - steam-engined,  
 ▲ - auxiliary sailing vessel,  
 e - electric.

(All other vessels have diesel engines).

**Services**- Dates are inclusive: thus, "May - Aug" means from the beginning of May to the end of August. Unless stated otherwise, cruises and excursions run in summer only, but charter trips are available all year.
