Within each section, operators are listed in alphabetic order. For each operator, the following information is given:

Title - This is the name by which the firm is usually identified and is not necessarily the full legal name or the registered owner of a vessel.

Name of vessel - If the vessel's name has changed since the 2016 'Trip Out' guides, the previous name is given; other former names are not listed.

Nationality of vessel - All vessels listed are on the Danish register.

Particulars of vessel - Year of completion, "gt" or gross tonnage, overall length in metres, and maximum passenger capacity.

Services- Dates are inclusive: thus, "May - Aug" means from the beginning of May to the end of August. Unless stated otherwise, cruises and excursions run in summer only, but charter trips are available all year.
