

SPAIN and PORTUGAL

This list includes services around the coasts of Spain and Portugal and around the Atlantic islands of the Açores (Portuguese), Madeira and Porto Santo (Portuguese), and the Canary Islands (Spanish). There are regular services to the Canaries from the mainland, but Madeira and the Açores no longer have regular passenger shipping links with the continent.

Where ships' names are followed by a number, these may be expressed by a word instead of a Roman number: in Spanish or Catalan, the ones found here are PRIMERO or UNO (I), DOS or SEGUNDO (II), TERCERO or TRES (III), CUARTO or CUATRE (IV), ONCE (XI) and CATORCE (XIV).
